Dear Families,

Thank you for your questions, cooperation, and support as we worked to move to a new system for assessing Financial Assistance Applications. After further research and listening to feedback from families, **we have decided to postpone the launch of SSS for the 2020 Camp season**.

What does this mean?:

- If you haven't started an application through SSS, you can apply for a scholarship the same way that you've been able to in the past. The application and instructions are available on our website: https://garrettwilliamson.org/camp-garrett-registration/
- If you've already started your SSS application, we have access to any documents that you've shared and uploaded so far, and we will reach out to you to request any additional documents or information. There will be no need for you to continue applying through SSS.

We have learned a lot from SSS, and though we won't be moving forward with them for the 2020 camp season, we feel more equipped than ever to provide you with the most informed and accurate scholarship possible.

All Financial Assistance Applications are due by Friday, March 27th, and will be assessed when all requested information has been submitted. Please find our application on our website https://garrettwilliamson.org/camp-garrett-registration/, or email or call me with any questions.

Thank you again for your understanding.

Warmly,

Director of Camp Garrett
