This year, Garrett Williamson’s Board voted to return to our farming roots. The horses, sheep, and alpacas that had been living at our historic 1794 barn were brought into the fold of our new Agricultural Education Program.

6 classrooms and 100+ children per week visit the animals and learn about farming. Public programs like “Family Farmyard,” barn tours, and the Harvest Festival are increasing our visibility and connecting us with hundreds of new visitors.

Goats, pigs, and other livestock will be added to our programs.

Our founder, Elizabeth Garrett, would approve!
Highlights of 2021

Camp Garrett reopened to a group of enthusiastic new and returning campers. They swam, hiked, visited the Barn and Educational Garden, created art, played sports and reconnected with each other after a 2020 hiatus!

The first Annual Harvest Festival attracted nearly 700 visitors to the property for hayrides, pumpkin decorating, barn tours and children’s activities!

We embraced our outdoor classroom spaces to learn, play and explore!
