New Year, New Focus

As the Executive Director of Garrett Williamson, I'm thrilled to report we have a new strategic plan and mission statement: **to nurture loving and respectful connections between people and nature by using our extraordinary property as a dynamic canvas for learning.** To this end, we have officially moved towards **a Place-based education model which will connect Garrett's Way Early Learning Center, Camp Garrett and Agricultural Education in immersive, hands-on programs which are directly connected to our historic farm property.** This will propel Garrett Williamson forward for the next three years, and beyond! I'm excited to see where it will take us! Thank you for your support in 2022 and your continued connection to our work in 2023.

Carol

(Above) Finding decomposers in our compost pile!

Highlights of 2022 include the:

- Completion of the first full year of Farm programming featuring birthday parties and Intro to Animal Care offerings.
- Addition of two new Pre-K classrooms.
- Building of the Ram Barn Classroom at the Barn for Agriculture Education programs.
- Installation of upgraded security cameras across campus.
- Construction of a pergola in the garden.

Highlights of 2022

The students at Garrett's Way learned and discovered through the seasons.

Spirit Week at Camp Garrett is a long-standing tradition and archery is always a highlight, especially when a you get a bulls-eye!

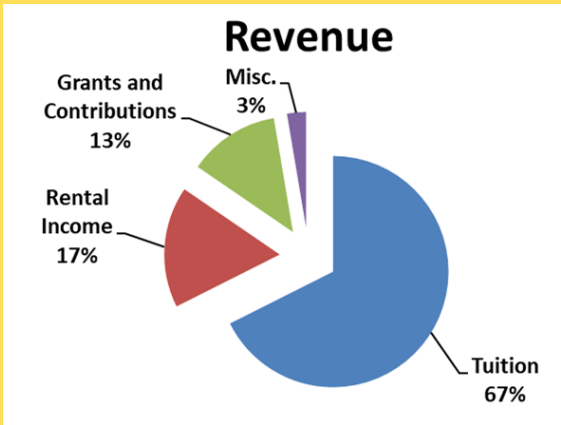

The 2nd Annual Harvest Festival welcomed 1150 visitors who sampled pear butter (above), took hayrides (right) and explored a dozen other family-friendly activities.
