

CODE QUEST IN THE WILDERNESS

6/17- 6/21

Technology meets nature! Explore the enchanting world of coding while surrounded by the serenity of nature, fostering a harmonious blend of digital innovation and outdoor discovery.

Beyond the Hive

6/24-6/28

Join us for a buzzing adventure during Beyond the Hive week! Campers will explore the fascinating world of bees, engaging in hands-on activities, hive-inspired crafts, and discovering the vital role these pollinators play in our ecosystem. Get ready for a honey-filled week of learning, creativity, and bee-inspired fun!

SUNLIT TRAILS & MOONLIT TALES

7/1-7/5
(Closed Thursday, July 4th)

Embark on the journey of learning the mysteries of the sun and nocturnal creatures. Under the radiant sun, explore nature-filled trails, participate in engaging activities to learn about the sun, uncover the secrets of night-time animals, and more!

Community Week

7/8-7/12

Campers will come together to build bonds, engage in collaborative projects, and embrace the spirit of togetherness. Join us for fun activities that include challenges to community service initiatives, we aim to foster a strong sense of connection and cooperation among our camp community.

BIO-HACKERS

7/15-7/19

Discover the wonders of science and wellness! With captivating experiments, interactive activities, and thrilling challenges, campers will embark on an immersive and educational experience, sparking curiosity and creativity in every young biohacker!

The Art of the Elements

7/22-7/26

Step into a week of enchantment where campers can unleash their imaginations through nature-inspired creativity. Each day, campers explore the wonders of earth, water, air, and fire, bringing their visions to life in a vibrant tapestry of artistic expression that sparks joy and wonder!

SPIRIT WEEK

7/29-8/2

Are you Team Red or Team Blue! Root for your color and shout WOOHOO! The entire camp splits into two teams, red and blue, on Wednesday, rep your color and get ready for some fun competition! Face paint, wigs and bandanas are welcome! On Thursday, we celebrate Purple Peace Treaty Day, make sure to wear purple!

BEHIND the SCENES

8/5-8/9

It's TALENT SHOW WEEK! Now it's your turn to showcase your talents on stage, make your directorial debut, or try your hand at playwriting. This week, learn about the process of creating film, theater, newsmedia and more. Dress up as your favorite celebrities, bring your best magic tricks or practice your hidden talents.

Mini Camp

Spaces Limited to 100 campers per week.

We operate our last two weeks of the summer as Mini Camp due to the loss of staff who work full-time or head back to college or start sports preseason. For this reason, we have less overall camper spots available and modified programming to adjust to our staffing needs.

Bot Builders

8/12-8/16

Imagination meets technology this week, where campers embark on a journey to discover the endless possibilities of robotics. Get ready to power up and roll into the future on a robot adventure.

Wacky Water Wonderland

8/19-8/23

Let's end the summer with a big SPLASH! Join us as we celebrate one last week of summer fun with water games, inflatables and more.
